### Student question for Monday: Email your answer to IRN

What was the first synthetic element created in a laboratory? And what year was it created?

**GARDEN CLUB** - is on **Tuesday lunchtimes** in the Horticulture shed on the right of the Art Block. We will provide the garden plot of land, fertiliser, seeds, tools, and the skills to grow your own food to eat here and take home. We will learn how to grow fruit trees that you will take home or sell. Just bring your lunch and a 'can do' attitude. See you there.

**CREATIVE WRITING CLUB (online version):** Meeting today in A22 at lunchtime. Discover new ways to write creatively.

Open every school morning between 8am-8.45.

Breakfast Club is on upstairs in Food Technology with the Guidance and teaching staff. Students are welcome to come up for free Weetbix, milk and milo. A great chance to meet new people, have a healthy breakfast and to hang out with your friends before school.
